Our Artwork Service Explained

Our **Artwork Service** is here to help, but we need your cooperation.
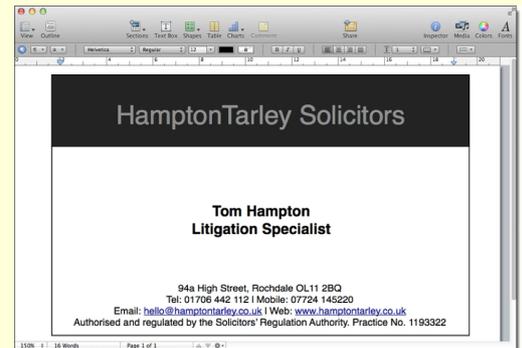

As a trade printer, we know creating print-ready files can be challenging for many so we are here to help!

Option 1 - Send us your document or photo

Email us your document (Word, Publisher, PowerPoint, Excel, etc.), and we'll convert it into a printable format.

If you want us to replicate an existing card, please email a photo of it along with any high-resolution logos or graphic files.
More details **here**

Option 2 - Send us your sketch

We can turn your sketch into artwork, take a clear photo and email it to **sales@cpcards.co.uk**

Don't worry if your sketch is wonky etc. just ensure it is clear and the writing is legible.

Also, remember to send any logos/photos/graphics as high-resolution files.
More details **here**

Option 3 - Choose one of our examples

Feel free to choose one of our examples **here**
We can add your logo or supplied graphics, details **here**

If you like an example but need layout changes to add more information, please provide a document or sketch showing the desired changes.

Important Points:

Proof Approval: For all options, we will email a photorealistic proof for your approval before printing your cards, an example can be seen **here**

Logos and Graphics: Please provide high-quality logo or graphic files (PDF, JPEG, etc.) if applicable.

Layout & Colour Details: Feel free to include a document or sketch showing layout, size, colours, and other details required.

Service Limitation: Our Artwork Service offers up to 30 minutes of studio time per customer, which suits most orders.

Deposit Policy: We reserve the right to ask for a deposit for your artwork / order. This is not an extra cost, just ensure your order is completed within 30 days.

Artwork Service Suitability: We reserve the right not to offer, withdraw or refuse the Artwork Service where we consider it unsuitable or not appropriate for your order. You are still welcome to supply your own print-ready artwork files for us to print your cards from
